

# Safety Measures For Our Congregation

1). In accordance with the State of Wisconsin and local health officials, we will be requiring ALL who enter the building to wear a mask. The only exceptions are:

- Children under the age of five.
- While speaking from the pulpit, those who are serving.

2). To insure social distancing, we ask that our regular members please sit on the right side of the building, and our visitors on the left.

3). When you enter, please pick up a self contained communion cup. We will use this during the Lord's Supper instead of passing the bread and the fruit of the vine.

4). On the table in the back, there are masks, hand sanitizer, and disinfectant wipes. Feel free to use these as the need may arise.

5). At the conclusion of services, please do not linger in the building. If you want to talk, please do so outside.

6). To keep our congregation well, if anyone is sick, excessively coughing, or has a fever, they may be asked to leave.

7). Let us try to allow these cares to leave our minds this morning as we learn about and worship our Creator.
